

Database::addUser

```
graph LR; A[Database::addUser] --> B[Database::userExists];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'Database::addUser'. The right box is gray with a black border and contains the text 'Database::userExists'. A blue arrow points from the right side of the first box to the left side of the second box.

Database::userExists
